/// E-SERIES PERFORMANCE AND STANDARD FEATURES

E-Series machines are economical and state-of-the-art, at a price any shop can afford. E-Series blast cabinets come standard with industrial quality, rugged components typically found only on higher production machines. E-Series blast cabinets are designed for use with glass beads and can tackle a wide variety of projects. This series is very popular in the automotive industry and any other environment where consistent, professional results are needed with a minimal up front cost.
