| **NEW M6000-12C | 12 | 11543-00 | CARTRIDGE | Horizontal Mounted Filters |
| M9000-18C | 18 | 11543-00 | CARTRIDGE | Horizontal Mounted Filters |
| M12000-24C | 24 | 11543-00 | CARTRIDGE | Horizontal Mounted Filters |

**NOTE: Any M3000 built from 2014 and M6000 from 2013 are the new models with horizontal filters. These newer DC's have round filter access doors and the older units have square filter access doors. Confirm the DC type with the customer before quoting the filters.
*For the M1200-2C DC's the main physical difference between the 2 units is that the inlet on the normal style is attached to the hopper and on the NEW M1200-2C the inlet is through the middle of the DC body.
