

SAFETY EQUIPMENT

INTRODUCTION

THE MARCO DIFFERENCE

Industry Experience

With Marco on your team, you have access to expertise which can only come from over 65 years of industry leadership. We have organized our engineering department, production specialists, customer operations, and safety support into a “Center of Competence.” As a Marco customer you have access to hundreds of years of cumulative experience related to your operations.

Manufacturing Capabilities

Marco is a U.S. based, ISO 9001:2008 certified manufacturer of equipment for the Surface Preparation and Protective Coatings industries. Marco’s engineers benchmark the industry to ensure that we design and manufacture superior products that have a quality and productivity advantage in the marketplace. Marco manufactures products that set the “Gold Standard” for performance, safety, and quality.

Legendary Customer Service

We understand the demands of today’s intense working environment. Marco’s legendary customer service team is staffed by friendly, highly-trained individuals who are focused on providing the highest level of product support, order accuracy, and customer satisfaction.

Product Availability

We stock over 10,000 SKU’s and have over 45 shipping locations to serve North American and International markets. In addition to Marco products, we stock components for all major brands of blasting and painting equipment. As the largest provider of surface preparation and protective coatings equipment in the world, our inventory levels are unmatched. Product availability is a cornerstone of our legendary customer service. You can count on Marco to have the inventory you need to keep your operations up and running.

Logistics Services

Marco’s in-house logistics team is dedicated to moving your shipment anywhere in the world. Let Marco’s logistics team take the hassle out of moving your freight. We move over 14,000 truckloads every year, allowing you to save on freight costs by leveraging our buying power. Lower your process costs with a single invoice, which includes product and freight. You can count on Marco for your logistics solutions.

Technology Leadership

Marco’s “3 Net Strategy” ensures access to timely and accurate information. Our Internet provides: Operator’s Manuals, Part Numbers & Schematics Guides, MSDS information, and Features & Specifications Guides, providing access to information 24/7. Our Extranet application allows you to receive quotes and place orders online. Our Intranet maintains a complete record of your purchase history to assist with ongoing support of your existing equipment and future purchasing decisions.

SUPPLIED-AIR PAINTING RESPIRATORS

**Bullard® Supplied-Air
Painting Respirators**

GENERAL PURPOSE RESPIRATORS - NOT FOR ABRASIVE BLASTING

North® Respirators

MSA® Respirators

3M® Respirators

BLASTING HELMETS

Advanced head protection for the harsh exposures of abrasive blasting. Marco offers a wide range of blasting helmets from manufacturers including Bullard®, RPB®, Clemco, and MSA. Additional accessories and blasting helmet packages are also available.

**Bullard 88VX
Blasting Helmet**

**Bullard GenVX™
Blasting Helmet**

**RPB Nova 3™
Blasting Helmet**

**RPB Nova 2000™
Blasting Helmet**

**MSA Abrasi-Blast®
Blasting Hood**

**Clemco Apollo 600
Blasting Helmet**

AIRLINE FILTERS

Marco offers a wide variety of airline filters from manufacturers including Marco, Bullard®, RPB®, and Clemco. Airline filters remove particulates like oil, odor, and organic vapors from compressed air before delivery to a supplied-air respirator.

**Barricade® 286-Series
Airline Filters**

**Bullard 41-Series
Airline Filters**

**RPB Radex®
Airline Filters**

**Clemco CPF-Series
Airline Filters**

AMBIENT AIR PUMPS

Marco offers a wide variety of ambient air pumps from Bullard to increase productivity and enhance safety. Ambient air pumps supply air for air-fed respirators approved to operate at 15 psi or less. Grade D breathing-air input required.

**Bullard ADP20
Free-Air Pump**

**Bullard EDP10
Free-Air® Pump**

**Bullard EDP16TE
Free-Air Pump**

**Bullard EDP16HAZ
Free-Air Pump**

BLASTMASTER® BLAST SUITS

**Blastmaster
Blast Suits**

Blastmaster Blast Suits are made with high quality material to keep you safer and more comfortable during all of your blasting jobs.

Ultralite Blast Suits

- Lightweight for use with mineral, slag and non-ferrous abrasives

Leather Blast Suits

- Ideal for use with aluminum oxide, carbon steel shot or carbon steel grit

BODY TEMPERATURE MANAGEMENT

Marco offers a wide variety of body temperature management equipment from manufacturers including Bullard, Clemco, and Air Systems.

**Bullard® Isotherm®
Cooling Vest**

Air Systems® Cool-Box™

**Bullard® DC50 DUAL-COOL™
Cooling Vest System**

CO MONITORS

A carbon monoxide monitor continuously samples compressed breathing air to alert operators to the presence of harmful carbon monoxide (CO), an odorless, tasteless, colorless gas. Marco offers a variety of CO Monitors with audio and visual alarms to notify operators when CO levels exceed the allowable level, as required by OSHA 29CFR 1910.134.

Barricade® Carbon Monoxide Monitors

RPB® GX4® Gas Monitors

Bullard® Breather Boxes

MST® Respiratory Protector

PERSONAL PROTECTION

Marco offers one of the widest range of personal protective equipment available in the industry. Our range of products are sourced from the major safety equipment manufacturers and are typically in-stock and are available to ship same day.
